<b>Food Science</b>					
490 <i>Science Fun with Dairy Foods: The Case of the Missing Milk</i>	B	All 6 activities At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Completed project book.  Bring an educational display or poster about some part of the project. Be prepared to discuss project knowledge and experiences.  Fair (optional)- Display an exhibit or poster showing some aspect of your project in your club booth or all-county booth	Monday, June 24  Wyandot County Fairgrounds	STEM Day: completed project book, display, and interview
<b>Electric Radio-Controlled Vehicles</b>					
504 <i>Electric Radio-Controlled Vehicles</i>	I	All 10 activities and 3 records Safety checklist At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Completed project  Bring vehicle, display showing involvement in current project (i.e. pictures showing the building process) Be prepared to discuss project knowledge and experiences.  Fair (optional)- Display an exhibit or poster showing some aspect of your project in your club booth or all-county booth	Monday, June 24  Wyandot County Fairgrounds	No state fair event

\* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	What to bring to Wyandot County Judging	County Project Judging Date & Location	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
<b>Knots</b>					
540 <i><b>Not Just Knots</b></i>	X	All 17 activities (including a capstone project) and all of the Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Completed project book  Make and bring a rope exhibit/display consisting of 10 knots or splices, labeled and neatly mounted on a board. Member should be prepared to show the board and to show the judge how to tie and identify various knots as well as be able to answer questions about your project knowledge and experiences.  Fair (optional)- Display an exhibit or poster showing some aspect of your project in your club booth or all-county booth	Monday, June 24  Wyandot County Fairgrounds	Engineering Excitement Day: completed project book, display, and interview
<b>Physics</b>					
500 <i><b>Science Fun with Physics</b></i>	B	All 12 experiments At least 2 learning experiences At least 2 leadership/citizenship activities Project Review	Completed project book.  Bring an educational display or poster about some part of the project. Be prepared to discuss project knowledge and experiences.  Fair (optional)- Display an exhibit or poster showing some aspect of your project in your club booth or all-county booth	Monday, June 24  Wyandot County Fairgrounds	STEM Day: completed project book, display, and interview

\* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	What to bring to Wyandot County Judging	County Project Judging Date & Location	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
<b>Robotics</b>					
507 <b>Robotics 1 with EV3</b>	I	All 12 activities and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Completed project book  Your robot. Be prepared to demonstrate the LEGO EV3 robot's ability to complete three or more of the tasks identified in Activity 12 of the project book in less than 10 minutes. Contestants are required to bring their own test surface on which to demonstrate their robot's completion of these tasks along with a printout of the program.  Fair (optional)- Display an exhibit or poster showing some aspect of your project in your club booth or all-county booth	Monday, June 24  Wyandot County Fairgrounds	STEM Day – completed project book, display and interview. In addition to the interview, contestants will demonstrate their LEGO EV3 robot's ability to complete three or more of the tasks identified in Activity 12 of the 4-H 507 project book in less than 10 minutes. Contestants are required to bring their own test surface on which to demonstrate their robot's completion of these tasks along with a printout of the program.
508 <b>Robotics 2: EV3N More</b>	A	All 7 activities and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Completed Project book.  Poster (22x28 inches) or a display of something learned in the project, and robot. Be prepared to demonstrate your robot's skills.  Fair (optional)- Display an exhibit or poster showing some aspect of your project in your club booth or all-county booth	Monday, June 24  Wyandot County Fairgrounds	STEM Day – completed project book, display and interview. Contestants are required to bring their own test surface to demonstrate their robot's completion of a task of their choosing (in less than 10 minutes) along with a printout of the program.

\* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels.
